

ArtStart gives children a chance to develop their talent through arts exposure and mentoring. We provide affordable, accessible and professional-quality lessons in Drama, Dance, Visual Art and Music to elementary-aged children from low-income families.

The Need

Hundreds of children in Edmonton have no access to arts education.

The Vision

Every child deserves a chance to develop their talent!

The Mission

Through arts exposure and mentoring, children are empowered to engage with and transcend their life circumstances.

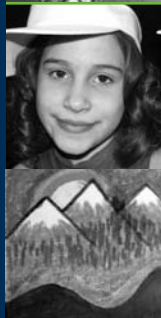

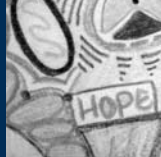

Changing Lives • Growing Community

ArtStart is a part of the E4C family

E4C is a not-for-profit, human services organization that works towards changing lives and building stronger communities by:

- Feeding hungry people
- Creating affordable housing
- Providing safety and support
- Parenting and early learning training

What is ArtStart?

Our program includes weekly after-school classes, field trips, special events, performance opportunities and scholarships for outstanding participants. We are also a partner agency with Summer @ CCEP, a six-week day camp for kids from the City Centre Education Project.

Who supports ArtStart?

All programming is led by a team of volunteer arts professionals and students. Their investment into the lives of kids inspires confidence, creativity and change.

Funding comes entirely through donations from the community.
