Edmonton Speaker Series

The three agencies working in partnership on the speaker series, E4C, Edmonton Community Foundation and the Edmonton Social Planning Council, will all be marking important milestones in service provision, advocacy and community support in 2010.

Help us celebrate our significant anniversaries—All for Community!

ECF 20th

Over the past 20 years, Edmonton Community Foundation has gained a reputation for its expertise at building bridges between donors' wishes and the needs of charities. The Foundation works with donors and greater Edmonton charities to help create and maintain a strong, vibrant community for generations to come.

E4C 40th

Founded in 1970, E4C is a charitable human services organization providing multiple and diverse services. E4C has been working with people in Edmonton to meet their basic needs, build on their strengths and move towards a better life. E4C's innovative and essential programs help families and individuals of all ages, backgrounds and life situations.

ESPC 70th

The Edmonton Social Planning Council will be celebrating 70 years as an independent, non-profit, charitable organization dedicated to encouraging the adoption of equitable social policy, supporting the work of other organizations who are striving to improve the lives of Edmontonians, and educating the public regarding the social issues that impact them on a daily basis.
